Thos. E. WRIGHT
"MEN'S BETTER WEAR"

BAPTIST EXPLAINS THE CURLING GAME

The following skit on Curling (written by us, and by the Rev. J. Cochrane of Newmarket, and localized by the office boy).

De morder day a friend of mine, Tony Grogan, from Calgary, he one big Irishman.

He said "Batessee" to me, "Why don't you go upon de rink For see Curling?" says he.

"Der's de plaine chair for sit upon, I don't tink.

De place she's nice and warm"—nix. And so at las I tink I go.

She can't do no harm.

Well, dat is do mos' foolish game I ever yit dis see.

For all de men was yell so loud I tink dey go crasse, like dat one big Wop.

Dey have de stone lak beeg speetoon An' shove it wid der han'.

But w'y dey get so mooshe excite, I cannot understand.

De man down at de nder en— Is put hees broom down—so

An' den he yell—Nix! tak dat ice! Dat's foolish tink you know.

He cannot tak de ice away. She's frozen down so hard.

He yell to Tommy Wright—Tak her out.

I do not want de gard—

An see John Taylor sweep do broom.

For w'y I cannot tell Dere is no dirt upon de ice.

And den some feller yell— "Yes! hold her up"—say w'at he mean?

Madam's not dere at all And marm'selle in de gallerie I do not see her felly!

All sorts of feller play dat game Dere's some dat's thing and loud.

Like dat beeg Jim Marteen. An' some dat's mabee short and stout.

Just so Bob Gray, An' some dat's party strong.

But we'n dey yell de stout man's "side"

An man dat's long and tall. "He's narrow" sure I do say, tink I stand for dat at all.

HOW TO FOOL TY COBB

Bryan (Slim) Harris, who chases rabbits down at Bangs, Tex., in the Winter and huris baseballs for one Cornelius McGillicuddy during the torrid months, recently dropped into Sweetwater for a visit with Brother Roger.

Once his identity became known, fans surrounded the pitcher and let down a barrage of queries about Simmons, Sister Ruth and other noted American Leaguers.

The amiable and modest Texas patiently answered every question with some degree of accuracy until someone said:

"Tell me exactly what you do when Ty Cobb faces you; what's his weakness, and how do you pitch to him?"

"Well, fellows, I'll tell you what I do," replied Harris. "I try to follow the advice of a rookie barter we had a few years ago. Someone asked the rookie how he pitched to Cobb and he promptly answered: 'I jes' tell that baseball, foot him, ball, foot him! I can't.'"

—O—

RIVAL OPINIONS

At a recent hockey match, two rival supporters were engaged in a heated argument. "What your team needs is a good coach," remarked the visiting team supporter. "What your team needs" replied the home supporter, "is a good strong heater."

—O—

INTEREST IN HORSE RACING

IN ENGLAND IS ON INCREASE

—O—

NEWMARKET, Eng.—Interest in horse racing in England has been increasing in leaps and bounds.

Statistics issued by the "Racing Calendar" show that during the last flat racing season 4650 horses ran under Jockey Club rules (this being the greatest total on record). In 1827, only 1166 horses ran during the season.

The total value won in stakes in England last year was £715,295.

I watch dat game for two, free night I tink dey's mos'ly "spid."

I wonder w'at dat name she mean? Wall "Bon" in French she's "good."

An' "Jockey" is Scotch for de beeg tall. Dat's what I understand.

I s'pose she's sort of half-breed name. I spik do way I feel—

WEDDING

JENSEN — COCKS

A wedding of great interest was solemnized at Knox Church, Calgary, March 6th, when Miss Maude Cocks, of Manchester, England, was united in marriage to Mr. A. C. Jensen, of Ardenode. The ceremony being performed by the Rev. George Dickson.

The bride, who was given in marriage by her sister, Mrs. Horrocks, looked charming in an ensemble suit of blue with powder blue silk dress and hat to match. Her bouquet being Gipsy roses. The bride was attended by her sister, Mrs. C. O. Dawson. The groom was attended by his brother, Mr. F. Jensen, Mrs. G. Dawson, Mr. C. O. Dawson, and Mr. Horrocks were also present.

After a visit to the photographers a special dinner was served in the Blue Room at Kolbs.

The handsome wedding cake was a work of art, being made by the bride's sister, Mrs. Horrocks, who has had considerable experience in the confectionery trade, specializing in the wedding cake department.

After a honeymoon spent in Calgary and other points, Mr. and Mrs. Jensen will reside on their farm at Ardenode. Mr. Jensen has resided in the Ardenode district for a number of years, and is well-known and popular.

A host of friends extend heartiest congratulations to the happy couple.

SPORT NOTES

Mel Kerr, the Saskatoon ballplayer, who is under contract to Chicago National League Club, and who was named out to Saginaw in the Minn. League last year, and made good, has been sent for further experience with the Wichita Club.

Yean Gregg, formerly successful southpaw with Seattle, when he was not busy with his farm in Alberta, was shipped to Birmingham by the Washington Club. Yean was a first with Washington last year, but it is expected that his wing will come back in working order in the sunny south.

"Tony" Kaufman, who pitched for Winnipeg before joining the Chicago Cubs, hurled three three-hit games last season.

WHAT'LL "BABE" RUTH DO THIS SEASON?

You hear the above question wherever baseball fans gather these days. They're just wondering whether or not the "sultra of swat" can come back after his hectic career, last year, and again send the outfielders climbing the fences after his long drive.

Reports from the training camp say that the "Babe" is rapidly running into fine fettle and that his "home run eye" will be in working order when the season starts next month.

PLAYERS LIKE DONLIN

WANTED BY RED SOX

President Robert Quinn, of the Boston Red Sox, is looking for young ballplayers with a "fighting heart."

"I'd like to get a few young fellows with the sort of temperament that Mike Donlin had when he joined the Giants as a rookie," Quinn told newspaper men.

"Mike had not been with the club more than three or four days when he was kicking the bats around the clubhouse to the general annoyance of Jones Burckett."

"You're the freshest kid I've ever seen," Quinn said Burckett had exarced.

"Zat so!" returned Donlin. Well, you'll have to get used to me, because I'm going to be around here a long time."

A Great Canadian Industry Contributing to Canada's Prosperity

General Motors, manufacturing CADILLAC, CHEVROLET, OLDSMOBILE, OAKLAND, McLAUGHLIN-BUICK and PONTIAC cars at Oshawa for Canadian and foreign trade, spent more money in Canada during the year 1925 than Canadians paid General Motors Dealers for their cars.

FACTS

Money paid by General Motors of Canada Limited to Canadian manufacturers for parts and materials.....	\$9,942,369
Canadian employees of General Motors of Canada, Limited, were paid.....	5,187,859
Gross Revenue to dealers from which they paid their employees, rent, taxes, and all other operating expenses	8,289,243
The Government received for duty on imported parts, sales and excise tax and other taxes.....	5,498,463
The Canadian railroads and transportation companies were paid.....	2,664,204
Canadian makers of tools, drills, jigs, dies, etc., received	1,201,244
Operation of service parts distributing depots, branches, expenses of wholesaling, including money paid for advertising and printing, resulted in an additional expenditure of.....	1,864,544
2243 Canadian stockholders of General Motors received dividends amounting to.....	1,085,464
Total money put into Canada directly through General Motors.....	\$35,733,390

During the same year the people of Canada invested in General Motors' cars..... 34,044,048

The contribution, therefore, of this industry to Canada's prosperity in 1925 consists in the employment of many thousands of Canadian workmen; of the payment of many millions to Canadians for material and labor; a tremendous revenue to our Federal Government; assisting our tax burden; a mammoth amount of revenue to our railroads and leaves in Canada more money than it collects.

PLAN BIG CELEBRATION

Extensive plans are being made for the celebration to be held at Camrose, Alberta by the Norse people of Canada on July 2, 4, 5 and 6 next. Dr. Nord-

oye of Camrose, is the president of the Norse Society of Canada, which is making arrangements for the affair. Many visitors from the United States and other parts of Canada are expected to attend.

KILLING ALBERTA'S FUTURE

Eight-hour working days, schemes for both health and unemployment insurance, distribution of school books and supplies through the government to school districts, old-age pensions, a provincial industrial disputes act, and several changes in the workmen's compensation act, including provisions for appeals on the board's decision, are among the things asked by the Alberta Federation of Labor from the Alberta Government. A delegation recently waited on the government to enforce these demands.

From the standpoint of obtaining and maintaining a good standard of living, organized labor will have the support of the public, but it would seem to be a very short-sighted policy on the part of the leaders of the Alberta Federation of Labor to be making demands at this time, which, if conceded, can only have the effect of raising the cost of producing Alberta coal, when every possible means is being considered to get that product into the Eastern Canadian market at the lowest possible price to supply imported fuel. If these same leaders came with suggestions whereby the cost of producing coal could be reduced, they would be displaying an effort to accomplish something for the welfare of Alberta, and that is a definite effort on the part of the International Labor organization to which the miners belong to increase the cost of mining Western coal to a level where it can be sold economically be shipped East to compete with the product of the American miners.

Financial Post

FRANK OLIVER
GRILLS COUNSEL
FOR THE C. N. R.

OTTAWA. Two or three posters were put at a sitting of the Dominion Railway Board by Commissioner Frank Oliver to Alvin Fraser, counsel for the Canadian National Railways, when the latter was completing his argument on the application of Alberta and Saskatchewan for a mileage scale of rates on grain and flour eastbound to Port William.

Commissioner Oliver—If mileage governs us to class freight rates and governs absolutely as to passenger rates why not as to grain rates.

Mr. Fraser—Because legally, and under the Crown's Next Pass agreement it is impossible.

Commissioner Oliver—The grain rate on the Canadian National as fixed by the Act of 1925 from Edmonton to Port William is 20 cents whereas, as a matter of fact it is 25 cents. Why is that?

Fraser Replies

Mr. Fraser—Because the latter is the rate from Calgary, Edmonton and Calgary have always taken the same rate not because of a mileage basis but because of competition of two railways seeking to carry grain to the common point of Port William.

Commissioner Oliver—Then why is there a difference between the grain rate from Saskatoon and Moose Jaw or Regina when the competitive conditions are the same as between Calgary and Edmonton.

Mr. Fraser—When the railways were making the rates from Saskatoon and Moose Jaw they held that there were no competitive conditions warranting a parity or equality of rates.

Criticism Argument

Commissioner Oliver—That is the same as saying that it does not cost the same to carry freight from Canada

PEACE ON EARTH

After a deluge of piffle and poppycock the United States Senate has voted entry into the world court by such an astounding majority that there is no longer any doubt as to the position of that country on the question of an attempt to bring about adjudication of world questions by other means than a resort to arms. The world court is not an experiment or a novelty. It is an outgrowth of the pre-war Hague conventions and other convocations for international amity. Who in days of Roosevelt would have dared to drag the Monroe doctrine or the ashes of George Washington into the argument for opposition to the Hague tribunals. It is true the Hague meetings did not avert the world war. Neither did anything else. It must be admitted that the Hague sessions, like the Bryan peace agreements were intended to serve the right purpose. Doubtless they did have some wholesome results though they were not all-sufficient. Neither is the world court likely to be the only antidote necessary to subdue all the warlike inclinations of humankind. The hope is that it will help. Certainly its absence has not. Then, what if the world court is a child of the League of Nations? The League of Nations has been and is a going concern for some years now without the United States, and who has it hurt? It is possible that the United States association with the world court and even the League of Nations would spell either or both. If the world court is a fiasco with the United States in it, surely it would have a major part to play. Let it be the hope and prayer of all who abhor war that the world court may be a success and all the more so now that the United States has joined it, which will assist Canada in her program, and the British Empire as a whole. England is sick of war. Germany is likewise sick and tired of it. The two billion dollars spent by Canada in the last war would place this country in a position to develop every acre, providing employment and homes for millions in Europe who are today in dire distress because a man had to be a hero by sticking himself in front of a cannon. Cranbrook Courier.

CO-OPERATION WILL "SETTLE THE SOUTH"

New confidence in Southern Alberta, engendered by the vastly improved condition of the farmers following upon three average to good crops at average to good prices, together with the demonstration that diversified farming can profitably be practised in our great wheat growing district, manifested itself Thursday in the decision of some 15 or 20 districts, through their Boards of Trade or similar organizations to undertake an energetic campaign to induce new settlers to come to the South, and join with the people already here to bring the agricultural resources of this portion of the province into greater production.

The decisions of the conference appearing elsewhere in this issue are of paramount importance. First, a campaign is to be instituted to induce new settlers, and second, a real effort is to be made to bring these people into touch with agricultural opportunities and start them off on the road to permanence in their new homes.

The ambitions of the co-operating organizations are laudable and we believe have good grounds for success. Those interested, and that should include everybody in Southern Alberta, must realize that the endeavor is not the work of a month or a year, but should be a continuing effort until the hopes and aims are realized. We have a splendid country here, a country in which new people have good chances for success. The vast diversity of agricultural opportunities that can be offered by any other section of Western Canada because we have large areas of proved irrigated land surrounded by land which has, during two decades, proven its worth as a grain and stock raising country. The elements of success are here; we are getting a better realization of that fact each year, and based upon our own confidence, we can proceed with the projected colonization undertaking in the knowledge that, by co-operation of the various communities, we can accomplish great things for Southern Alberta.

—Lethbridge Herald

Important Information To Farmers

Owing to the abnormal weather conditions of last Fall, it is very necessary to have all seed tested for germination. The Dominion Seed Branch, Calgary, will make these tests at a charge of 50c during March and April, (tests are free during the rest of the year). Make use of this service provided by the Dominion Government and assure yourself of the germinating power and vitality of the grain you intend to seed.

Our agents will supply you with sample envelopes

WHAT WILL 1926 BRING

—O—

In a few weeks it will be time to start preparing the ground for another crop. From then until the crop is sold, most farmers will be wondering whether they will make any money, and if so, how much. Farming is a rather uncertain business in which many chances must be taken. The weather is the most uncertain thing of all, and yet may have a greater influence for a good or bad crop than any other factor. The quality of the seed sown, the kind of seed-bed in which it is sown, the time it is sown, and the manner in which it is sown, are all more or less under the control of the farmer, all have an influence on the crop and, therefore, on the return from raising it. It is foolish to take a chance when there is no need of taking it. It is not hard to find out what percentage of the seed will germinate in which it is sown, the time it is sown, and the manner in which it is sown, are all more or less under the control of the farmer, all have an influence on the crop and, therefore, on the return from raising it. It is foolish to take a chance when there is no need of taking it. It is not hard to find out what percentage of the seed will germinate in which it is sown, the time it is sown, and the manner in which it is sown, are all more or less under the control of the farmer, all have an influence on the crop and, therefore, on the return from raising it. It is foolish to take a chance when there is no need of taking it. It is not hard to find out what percentage of the seed will germinate in which it is sown, the time it is sown, and the manner in which it is sown, are all more or less under the control of the farmer, all have an influence on the crop and, therefore, on the return from raising it. It is foolish to take a chance when there is no need of taking it. It is not hard to find out what percentage of the seed will germinate in which it is sown, the time it is sown, and the manner in which it is sown, are all more or less under the control of the farmer, all have an influence on the crop and, therefore, on the return from raising it. It is foolish to take a chance when there is no need of taking it. It is not hard to find out what percentage of the seed will germinate in which it is sown, the time it is sown, and the manner in which it is sown, are all more or less under the control of the farmer, all have an influence on the crop and, therefore, on the return from raising it. It is foolish to take a chance when there is no need of taking it. It is not hard to find out what percentage of the seed will germinate in which it is sown, the time it is sown, and the manner in which it is sown, are all more or less under the control of the farmer, all have an influence on the crop and, therefore, on the return from raising it. It is foolish to take a chance when there is no need of taking it. It is not hard to find out what percentage of the seed will germinate in which it is sown, the time it is sown, and the manner in which it is sown, are all more or less under the control of the farmer, all have an influence on the crop and, therefore, on the return from raising it. It is foolish to take a chance when there is no need of taking it. It is not hard to find out what percentage of the seed will germinate in which it is sown, the time it is sown, and the manner in which it is sown, are all more or less under the control of the farmer, all have an influence on the crop and, therefore, on the return from raising it. ARDENODE

A very successful meeting was held at the home of Mrs. Horvath, March 2nd. In spite of the bad roads and the fact that one or two cars tried to go underground instead of over the top.

The meeting consisted of disposing of several letters, Mrs. P. Donkin was elected as delegate to Servicewomen's Association at Standard, March 2nd. The February Bulletin was read. The next meeting is to be held at the home of Mrs. C. Dawson. Mrs. Geo. Dawson will lead with reading. The remainder of the afternoon was spent in social, both vocal and piano forte. About six o'clock the ladies and their husbands enjoyed a most delightful buffet luncheon. The evening was spent in company singing, duets, vocal solos, piano forte solos, comic and otherwise, in which everybody took part. Mr. Plender and Mr. Geo. Dawson also delighted us with numerous violin solos, about 11 o'clock lunch was served.

Mr. Bob Sinclair has taken over the Leyden place. We wish him the best of luck.

Mr. and Mrs. P. S. Parsons were visitors at the home of Mr. and Mrs. Firth on Sunday last.

Wedding Bells are ringing.

BAINTEREE

The regular meeting of the Baintree U.F.A., which was to have been held on Sunday night, March 6th, was postponed for one month, and will be held on April 3rd.

On Friday night, March 5th, a general farewell dance was held in the Baintree school in honor of Mr. and Mrs. H. Troth, and Miss Faye.

At the home of Mrs. C. County, a very pleasant "pink tea" was held in honor of Mrs. H. Troth, by the U.F.W. A. ladies. The color scheme of pink and white was carried out in the decorations, and refreshments. The honor guest was presented with a dainty pink and white gift by the president, Mr. County. The invited guests included: Mrs. W. O. Brown, Mrs. Bessie, Mrs. Carl Brown, Mrs. A. Day, Mrs. W. McKinn, Mrs. W. Bell, Mrs. J. Krayten, and Mrs. Jacobs. A very pleasant afternoon was enjoyed by all.

NEW MUNICIPAL HOSPITALS

Following the successful vote in favor of the establishment of a municipal hospital district at Innisfail, steps have been taken to commence construction of the hospital building. A vote on the establishment of a hospital district at Vulcan will be taken March 15.

LOCAL NOTINGS

The many friends of Mrs. Marie Reynolds of Irtana will be pleased to hear that she won the first prize for ladies' comic costume at the fancy dress ball held at the Balling Hotel, Calgary. The prize was a beautiful little china lady powder box and tray.

G. D. Dewitt has several hundred bushels of wheat, some of which is two years old, similar to what he disposed of to the Robin Hood Elevator, and which graded up 1. In order to test the germination, he tested one hundred seeds, and seven days from the time he planted them, he brought them to the Standard office, producing 22 beautiful green shoots, over 6 inches in height.

The Alberta Poultry Pool expects to shortly make a final payment of about two cents above market price.

Mrs. Wm. Hinton attended the Glouchester U. F. A. convention at Calgary, on March 6th as delegate for the U. F. W. A.

The Tennis Club meeting will be held at the Union Church basement on Friday evening, March 12th at 8 p.m. All interested should be on hand early so as to terminate business in plenty of time for those who wish to attend the Standard and bridge drive in the Memorial Hall.

O. C. Craig, Chedoke, Harry Groves and John Taylor will attend a meeting of the Royal Arch Masons at Edmonton.

James Nelson of Carleton Place has been spending the winter at Long Beach, Calif. He is leaving there shortly and expects to be back home early in March.

CHURCH BULLETIN

United Church, Strathmore
Sunday, March 14th, 1926
Church services will be held at the regular times at Namaka, Chedoke, and Strathmore.

"I don't know much about religion—but I do know that His Word is like a fire, and that a man can live by it, and if once a man has it he has everything else he wants."—David Grayson
A sermon next Sunday, "The Church As Seen By Our Earliest Historian."

Special Offerings and Prayers will be taken next Sunday for the Church Maintenance and Extension Fund. Every minute of the year the United Church invests nearly Eight Dollars in Christian Service at Home and Abroad through the above fund. Strathmore congregation is asked to contribute \$250. Let us make a real Lenten sacrifice.

The weekly Song Service will begin at Strathmore Church at a quarter past seven p.m.

ARTHUR H. ROWE, Minister

CHURCH NOTES

A ladies' quartet and the choir rendered in a beautiful manner the song, "He Walks With Me," at last Sunday's service. The members of the quartet were: Mrs. Bell, Mrs. Brown, Miss Cope, and Mrs. Fisher.

The Easter Number of The United Call, monthly paper of the local church will be available for everyone next Sunday.

Nominations are being received for the next two weeks for the office of an elder for the Strathmore Church to take the place of Dr. Givvin, who is now a member of the Central United Church, Calgary. Mr. M. B. Garrett, as Clerk of the Session is receiving nominations. The election will be held on March 21st.

The minister tried on Sunday last to reach Chedoke by a shorter route from Namaka, but was unsuccessful, and having to turn back, was unable to reach Chedoke in time. He is sorry at disappointing any one of the Chedoke congregation.

Quite a number of men and women of the Mennonite Colony fraternized with the Namaka Congregation last Sunday in the Church worship.

The Strathmore Ladies' Aid, under the untiring leadership of Mrs. North, are having as one of the features of their "Fortnightly meetings," a series of studies of "The Women of the Bible."

St. Michael and All Angels Church
11:00 a.m.—Matins.
12:15 noon—Sunday School and Bible Class.
7:30 p.m.—Evangelism.

Services will be taken by either Rev. T. B. Winter or substituted from Calgary.

A. D. CURRIE, Incumbent

ROMAN CATHOLIC CHURCH
1st Sunday of month, Mass at Carleton Place 11 a.m.
2nd Sunday of month, Mass at Langdon 9 a.m. Strathmore at 11 a.m.

Rev. J. E. DUGGAN, Pastor

UNITED CHURCH, CARLETON PLACE
Sunday, March 7, 1926
Sunday School 12 a.m.
Sunday School 12 a.m.
Dalemead—Sunday School 11 a.m.

"Bea Tru" is coming to Dalemead next week, in charge of the "Patrol."

Caledonia—Sunday School 2 p.m.
Caledonia—Sunday School 2 p.m.
Blind Creek—Preaching Service 7:30 p.m.

SCHOOL CONVENTION

The whole staff of the Strathmore School are in Calgary last week-end, and themselves of the opportunity of seeing Mr. W. H. Harvey, the great English actor.

Additional prizes and donations for the school Fair have been received as follows: Ingraham's Shoe Store, Calgary, a pair of running shoes; Mr. P. Seales, 11400, Town Council, \$50.00. There are very much appreciated by the School Fair Association.

Applications for seeds will be sent in to the School of Agriculture within the next ten days. Schools wishing to compete should therefore return the application forms at an early date to the secretary.

There will be a meeting of the Local Alberta Teachers' Alliance at 2 p.m. in the Strathmore School on Saturday, March 12th. This local should send an official delegate to the Eastern convention, and also prepare resolutions for the annual meeting of the A.T.A. All teachers of the district are cordially invited to this meeting. During February 174 were in attendance at the Strathmore School. The average attendance was 155 per day, or 91 per cent. Only 52 attended every day during the month.

The following passed in all but one unit attempted: May Taylor, Thomas Chamberlain, Florence Harriman, and Iva Schultz.

U.F.A. MEETING

A U.F.A. meeting held March 2nd at L. Hinton, A. J. Weyers, S. Kurek and Leslie West were appointed delegates to the New Valley District Association meeting to be held in Jasper on March 29. L. West was elected director to above association. Mr. W. F. Friesinger was appointed delegate to political organization convention to be held in Calgary March 9th.

It was decided to handle farm machinery on the same plan as last year, the secretary, W. A. to order same. There was considerable discussion regarding the Wednesday afternoon closing. There were only a few present, and a motion was passed ordering same.

GIRL GUIDES' PANTRY SALE

The 1st Company Strathmore Girl Guides held a most successful tea and pantry sale on Saturday last. The tea tables, in charge of the "Patrol," were daintily decorated with pink carnations and fern, and a delightful tea was served by the girls.

Leader Harwood of the Rose Patrol was to be congratulating on her success with the Home Cooking Staff. The last of the Rose Patrol took no active part on Saturday as they are arranging a "Patrol" for Saturday April 2nd.

Captain and Guides of the above Co. wish to thank Mr. Hollinger for so kindly allowing them the use of his store.

ROTARY CLUB CONVENTION

The district convention of Rotarians, comprising all clubs in Western Canada, will be held at Banff, Alberta, May 13, 14 and 15 next.

On Sunday, March 14, Rev. Thomas Powell, Supt. of Missions for the Conference of Alberta, will preach at Dalemead 11 a.m., Carleton Place 2 p.m., and Blind Creek 7:30 p.m.

PERCY JOHNSON, Pastor

You'll Like It!

Try it hot or cold served with Pancakes or Waffles. It's not only delicious, but is one of the most wholesome and digestible of sweets.

Layzell's Forthcoming AUCTION SALES

Instructed by A. R. Strang, who is giving up farming, I will sell at West End, 20, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100, 101, 102, 103, 104, 105, 106, 107, 108, 109, 110, 111, 112, 113, 114, 115, 116, 117, 118, 119, 120, 121, 122, 123, 124, 125, 126, 127, 128, 129, 130, 131, 132, 133, 134, 135, 136, 137, 138, 139, 140, 141, 142, 143, 144, 145, 146, 147, 148, 149, 150, 151, 152, 153, 154, 155, 156, 157, 158, 159, 160, 161, 162, 163, 164, 165, 166, 167, 168, 169, 170, 171, 172, 173, 174, 175, 176, 177, 178, 179, 180, 181, 182, 183, 184, 185, 186, 187, 188, 189, 190, 191, 192, 193, 194, 195, 196, 197, 198, 199, 200, 201, 202, 203, 204, 205, 206, 207, 208, 209, 210, 211, 212, 213, 214, 215, 216, 217, 218, 219, 220, 221, 222, 223, 224, 225, 226, 227, 228, 229, 230, 231, 232, 233, 234, 235, 236, 237, 238, 239, 240, 241, 242, 243, 244, 245, 246, 247, 248, 249, 250, 251, 252, 253, 254, 255, 256, 257, 258, 259, 260, 261, 262, 263, 264, 265, 266, 267, 268, 269, 270, 271, 272, 273, 274, 275, 276, 277, 278, 279, 280, 281, 282, 283, 284, 285, 286, 287, 288, 289, 290, 291, 292, 293, 294, 295, 296, 297, 298, 299, 300, 301, 302, 303, 304, 305, 306, 307, 308, 309, 310, 311, 312, 313, 314, 315, 316, 317, 318, 319, 320, 321, 322, 323, 324, 325, 326, 327, 328, 329, 330, 331, 332, 333, 334, 335, 336, 337, 338, 339, 340, 341, 342, 343, 344, 345, 346, 347, 348, 349, 350, 351, 352, 353, 354, 355, 356, 357, 358, 359, 360, 361, 362, 363, 364, 365, 366, 367, 368, 369, 370, 371, 372, 373, 374, 375, 376, 377, 378, 379, 380, 381, 382, 383, 384, 385, 386, 387, 388, 389, 390, 391, 392, 393, 394, 395, 396, 397, 398, 399, 400, 401, 402, 403, 404, 405, 406, 407, 408, 409, 410, 411, 412, 413, 414, 415, 416, 417, 418, 419, 420, 421, 422, 423, 424, 425, 426, 427, 428, 429, 430, 431, 432, 433, 434, 435, 436, 437, 438, 439, 440, 441, 442, 443, 444, 445, 446, 447, 448, 449, 450, 451, 452, 453, 454, 455, 456, 457, 458, 459, 460, 461, 462, 463, 464, 465, 466, 467, 468, 469, 470, 471, 472, 473, 474, 475, 476, 477, 478, 479, 480, 481, 482, 483, 484, 485, 486, 487, 488, 489, 490, 491, 492, 493, 494, 495, 496, 497, 498, 499, 500, 501, 502, 503, 504, 505, 506, 507, 508, 509, 510, 511, 512, 513, 514, 515, 516, 517, 518, 519, 520, 521, 522, 523, 524, 525, 526, 527, 528, 529, 530, 531, 532, 533, 534, 535, 536, 537, 538, 539, 540, 541, 542, 543, 544, 545, 546, 547, 548, 549, 550, 551, 552, 553, 554, 555, 556, 557, 558, 559, 560, 561, 562, 563, 564, 565, 566, 567, 568, 569, 570, 571, 572, 573, 574, 575, 576, 577, 578, 579, 580, 581, 582, 583, 584, 585, 586, 587, 588, 589, 590, 591, 592, 593, 594, 595, 596, 597, 598, 599, 600, 601, 602, 603, 604, 605, 606, 607, 608, 609, 610, 611, 612, 613, 614, 615, 616, 617, 618, 619, 620, 621, 622, 623, 624, 625, 626, 627, 628, 629, 630, 631, 632, 633, 634, 635, 636, 637, 638, 639, 640, 641, 642, 643, 644, 645, 646, 647, 648, 649, 650, 651, 652, 653, 654, 655, 656, 657, 658, 659, 660, 661, 662, 663, 664, 665, 666, 667, 668, 669, 670, 671, 672, 673, 674, 675, 676, 677, 678, 679, 680, 681, 682, 683, 684, 685, 686, 687, 688, 689, 690, 691, 692, 693, 694, 695, 696, 697, 698, 699, 700, 701, 702, 703, 704, 705, 706, 707, 708, 709, 710, 711, 712, 713, 714, 715, 716, 717, 718, 719, 720, 721, 722, 723, 724, 725, 726, 727, 728, 729, 730, 731, 732, 733, 734, 735, 736, 737, 738, 739, 740, 741, 742, 743, 744, 745, 746, 747, 748, 749, 750, 751, 752, 753, 754, 755, 756, 757, 758, 759, 760, 761, 762, 763, 764, 765, 766, 767, 768, 769, 770, 771, 772, 773, 774, 775, 776, 777, 778, 779, 780, 781, 782, 783, 784, 785, 786, 787, 788, 789, 790, 791, 792, 793, 794, 795, 796, 797, 798, 799, 800, 801, 802, 803, 804, 805, 806, 807, 808, 809, 810, 811, 812, 813, 814, 815, 816, 817, 818, 819, 820, 821, 822, 823, 824, 825, 826, 827, 828, 829, 830, 831, 832, 833, 834, 835, 836, 837, 838, 839, 840, 841, 842, 843, 844, 845, 846, 847, 848, 849, 850, 851, 852, 853, 854, 855, 856, 857, 858, 859, 860, 861, 862, 863, 864, 865, 866, 867, 868, 869, 870, 871, 872, 873, 874, 875, 876, 877, 878, 879, 880, 881, 882, 883, 884, 885, 886, 887, 888, 889, 890, 891, 892, 893, 894, 895, 896, 897, 898, 899, 900, 901, 902, 903, 904, 905, 906, 907, 908, 909, 910, 911, 912, 913, 914, 915, 916, 917, 918, 919, 920, 921, 922, 923, 924, 925, 926, 927, 928, 929, 930, 931, 932, 933, 934, 935, 936, 937, 938, 939, 940, 941, 942, 943, 944, 945, 946, 947, 948, 949, 950, 951, 952, 953, 954, 955, 956, 957, 958, 959, 960, 961, 962, 963, 964, 965, 966, 967, 968, 969, 970, 971, 972, 973, 974, 975, 976, 977, 978, 979, 980, 981, 982, 983, 984, 985, 986, 987, 988, 989, 990, 991, 992, 993, 994, 995, 996, 997, 998, 999, 1000.

ROCKYFORD UNITED CHURCH NOTES

Our "Father and Son" banquet, so long looked forward to, will be held in the Church on Friday next, the 12th. Dads please keep this date in mind. We are hoping to have Rev. A. H. Rowe with us.

A Board Meeting of the representatives of our circuit will be held in Rockyford, March 18th, at 2.30. We are very anxious to have a complete representation as urgent matters must be discussed at this meeting. Our year ends March 31st. "The Kings" business requires haste.

We hope to show University reels in the church basement on Tuesday next, the 16th, at 8 o'clock. The reels will be on "Rip Van Winkle," "The Silk Industry," etc. All are welcome, and a collection will be taken to defray expenses.

The Ladies Aid will hold a box social in the Church basement on Friday April 2nd. University Slides will be shown on "Ten Hurs." This will be a very fine evening, and we hope to see a good gathering of all our people. Everybody is welcome.

Saturday, April 3rd, the Ladies Aid will have an "Angel" Cake sale in the sole Hardware. All who would like a specially good cake for Easter should visit this counter.

The Alberta Legislature

Many New Bills—Future of Northern Railways Subject of Hot Debate.
(By John Mackenzie)

With the address in reply to the Throne speech out of the way, the Alberta Legislature got down to business this week.

New Legislation
Monday was devoted to the clearing up of the order paper, and several motions that had been standing for some time were disposed of.

Thirty-seven bills have received first and second reading, and several have reached the committee stage. Many of these are comparatively unimportant, but others are of the first magnitude, especially the bill for the transfer of the Province of the public lands, with which is incorporated the agreement with the Dominion Government for the turning over to the Province of its natural resources.

A new Municipal District Act is on its way through. The most important changes are in respect to closer supervision of secretary-treasurers by the auditors. This is with a view of reducing defalcations, which have been unfortunately prevalent of recent years.

An amendment to the Highways Act, will, if passed, make it compulsory for motorists to dim their lights when within 200 feet of another vehicle.

The amendments to the Hall Insurance Act will have the effect of dividing the Province into zones, with varying rates according to the losses in the past five years.

A resolution calling for the construction of a forty-one mile extension to the A. & G. W. Railway was withdrawn, after the Minister of Railways had expressed himself decidedly against it on the ground that it was not warranted by the number of settlers in the district, and that part of the district was already served by the C.N.R. The previous Government had in 1915 built the grade and ten miles of track on the extension asked for, not for the benefit of the Province, but to use up the balance of the guarantee on the A. & G. W., amounting to \$200,000, on the line of \$250,000. The work done would be of very little value, as it would cost over \$700,000 now to complete the line.

A request for the linking up of Peace River with the Provincial telephone system was favorably considered, and the line will probably be completed when the new motor highway is built.

A resolution of sympathy to Hon. C. Mitchell on the death of his mother was passed by a standing vote.

Wan "Blue Sky" Legislation

"The Legislature unanimously passed a resolution calling upon the Dominion Government to put companies applying for charters in the Province under the control of the Provincial Utilities Board. Similar legislation had been asked for by Manitoba and Saskatchewan, and was very necessary in view of the present oil boom. Government employees, it was stated, numbered 2,120 on February 1, 1926, as against 2,561 on August 13, 1921. School inspectors now numbered 35, as against 40 in 1921.

Government Will Not Reveal Railway

Negotiations
The whole of Thursday afternoon was occupied by a full committee on a resolution proposed by J. C. Brown (Liberal, Edmonton), the purport of which was that the delay in announcing the result of the negotiations with regard to the ultimate ownership and operation of the E. D. & C. Railway and the Central Canadian Railway was having serious effect on the country served by these lines, and viewing with alarm the inaction of the Government.

The argument at times verged on the abusive, and Mr. McClung took occasion to chide the members for allowing the proceedings to assume the character of a "catfight."

Premier Brownlie, in presenting the statement of the Government, said that the railway problem was the gravest the people of this Province had to face. The railways had approximately \$19,000,000 of public money invested in them, and every year \$1,000,000 had to be provided for interest alone. The Province had in the past assumed transportation problems that should have been assumed by the Dominion Government and were suffering from it now. The railways were at present being operated, the rates were satisfactory and nothing was being lost by delay.

ROCKYFORD

On February 23rd, a banquet was held by the Ladies Club for the husbands and gentlemen friends of the members, in honor of Mr. and Mrs. A. Law Miller, who are moving to Medicine Hat. Mr. Black was the toastmaster. The first toast, "The Receiving Officer" was given by Mrs. Carpenter, and replied to by Mrs. Curran; the second toast, "Our Husbands," proposed by Mrs. Walrod, replied to by Mr. McGuire; third toast "The Departing Mothers," proposed by Mrs. Ryan and replied to by Mrs. Miller. After the dancing and card games were indulged in, Mrs. McGuire winning the first prize for the latter, the consolation prize going to Miss Griffin. A very delightful evening was brought to a close amid the thanks of all who participated.

On February 26, the semi-annual meeting of the Ladies Club was held at the home of Mrs. Carpenter. The reports showed what excellent work the club had carried out during the past six months, during which the members had worked very hard. Two particular results of their efforts being: The splendid equipping of the kitchen at the Town Hall, also the cupboards for the stage. During the meeting officers were elected for the coming term as follows: President, Mrs. Walrod; 1st Vice-Pres., Mrs. G. Penroy; 2nd Vice-Pres., Miss M. Peters; Secretary, Mrs. W. Gillespie; Treasurer, Mrs. W. H. Acton; Mrs. T. Birt; and Mrs. J. B. McGuire; Officers, Mrs. W. Carpenter and Mrs. F. W. Gibson. A cordial invitation was extended to all ladies of the district to become members of the club.

Last week Mr. and Mrs. Fairbairn en route from Winnipeg to the coast, stopped off to visit Mrs. F. W. Gibson, who is a sister of Mrs. Fairbairn. Another sister, Mrs. McBride, of Irricana, has also been on a visit to Mrs. Gibson.

On Friday night a most enjoyable concert was given under the auspices of the Ladies Club, the proceeds of the show being given to the hall, and reflects the greatest credit on all who took part, not only in the performance, but in organizing this splendid entertainment. It would be invidious to pick out any individual performer, but all who took part went up to the standard set by the numbers of this enterprising club. During the evening the prizes for the cribbage tournament were awarded. Mr. F. E. Ryan, who had first prize in the singles, while the prize for the doubles went to Mr. "Red" Reese and Mr. Bill Miller. The show was followed by supper, the Baker Brothers orchestra, assured the complete enjoyment of all present. It is certainly a hall profited by \$65 as the result of this splendid effort.

We regret to report that Mr. D. L. MacDonald is suffering from a bad attack of pleurisy, and is at present in hospital. His many friends are hoping to hear that he is making good progress.

We regret to report that Master Ernest Fraser is in hospital for the removal of his tonsils.

Master Billy McGuire is also at present in hospital. We will hope to report both completely recovered next week.

By delaying action the Government had already saved the Province a lot of money, and they believed that when they had ultimately broken the negotiations to a close their action would be fully justified. The Opposition would have been satisfied with that. Under no form of administration could the people of the lines served get a better service than at the present time.

Ex-Premier Greenfield strongly backed the action of the Government in the course they take, in a warmly received speech.

The district which took place at the end of the debate resulted in a 27-1 vote, the Independent member and the Labor members voting with the Government.

British Women Should Not Lose Rights

On the motion of Hon. Mrs. Fairbairn, seconded by Mrs. McClung, a resolution was passed unanimously, calling upon the Dominion Government to meet legislation whereby a woman of British nationality could retain her nationality though she married an alien.

We Will Give Away
ABSOLUTELY FREE
To All Our Customers

Complete Radio Set

This is a long-distance 5-tube set, coast to coast range, complete, ready to operate.

— Now On Display At Our Store —

COMMENCING SATURDAY, MARCH 13, 1926
with each cash purchase amounting to \$50, we will give one key. We have several hundred keys in a canvas bag; one key in the bag will unlock the lock we have on exhibition in our store.

The Holder of the Lucky Key will receive the Radio Set Absolutely Free.

One key given with every dollar paid on account.

NOTICE DISSOLUTION OF PARTNERSHIP

Take notice that the partnership of Dahn & Miller has been dissolved by mutual consent.

Notice—All accounts owing by the firm must be sent to J. J. Dahn, Rockyford.

Dated at the Village of Rockyford, in the Province of Alberta, this 5th day of March, 1926.

J. J. DAHN
J. B. MILLER

103-u

The Rockyford Hotel changed hands on March 2nd, having been purchased by the Ladies Club, the new manager, Mr. Dahn, is a sister of Mrs. Fairbairn. Another sister, Mrs. McBride, of Irricana, has also been on a visit to Mrs. Gibson.

Mr. W. Walkinshaw, of Wembley, Alberta, has arrived in Rockyford, to fill the vacancy in the Bank of Commerce made by the transfer of Mr. Miller to Medicine Hat.

Mr. C. L. Rhyanson has left the Bank of Commerce to return to his home at Swift.

Mr. Mercer has taken up his duties at the bank again, after his vacation.

Mr. S. A. Cumulings, of Camrose, was a weekend visitor to Rockyford.

On Saturday a regular meeting of Municipal District of Grasswood was held, and much important business was transacted, a report of which will be published later.

Don't forget the dance on the 17th, to be given by the Ladies Calcutt Society.

Rockyford Rural High School Board held an organization meeting on Wednesday in Mr. C. R. Walrod's office. Details next week.

Mrs. J. M. Meins and family returned from a visit to the States on Monday evening.

LANGDON

Mrs. J. C. Fortin, who has been ill for several weeks, is much improved.

V. E. Dye was an Altis visitor last week.

F. Stiel returned from Thunderbay on a visit to his parents at Lansing, Michigan.

L. Little came home from Rochester, Miss. Thursday, where he has been since January 1st.

Miss Isabel McLaughlin, Provincial organizer of the A. W. I. Girls' Clubs, was in Langdon Wednesday, when she gave an interesting talk to the W. I. in the afternoon, and to the Girls' Club in the evening. Election of officers resulted as follows: President, Miss Marjorie Shaw; V. P., Mrs. McClung; a resolution was passed unanimously, calling upon the Dominion Government to meet legislation whereby a woman of British nationality could retain her nationality though she married an alien.

A. Honsinger, who has spent the winter at the coast, came home last week.

Mr. and Mrs. Ed Davidson and baby, of Jud. N.D., came for a

tended visit with relatives on Sunday.

The three-act dramatic comedy, "Turning the Trick," was presented by the Langdon W. I. on Friday, March 5, to a capacity house. M. J. Doan was easily the star actor, and every line was applauded by the audience.

Following the play, Mrs. E. Moe, Mr. F. Briggs, Mrs. D. S. Snider, Miss D. Kernahan, Mr. Russi Dye, Miss Irene Hilton, Mr. H. W. Jowsey, Mr. F. G. Fulton, Mr. O. Buntain, and Mrs. F. G. Fulton. F. G. Fulton directed the play, assisted by Mrs. H. W. Jowsey. Kind's Spicce orchestra, furnished music for the excellent dance which followed the play.

Miss Florence Myers, of Batroun, Bank, is assisting in the telephone office for a few weeks.

AMERICAN SETTLERS

BRING MANY MILLIONS TO CANADA

WINNIPEG, Man.—United States citizens settling in Canada during the past twelve years brought with them wealth in cash and effects totalling 162,476,553. In the last fourteen years Michigan sent more of its citizens to become Canadians than any other state. Settlers from Michigan in that period totalled 87,107; from Minnesota there were 68,922; emigrants to Canada from Massachusetts, 77,750; from Washington, 75,466; from New York, 74,067; and from North Dakota, 51,402. The other states vary from 30,000 to a few hundred.

COURSE FOR BEE-KEEPERS

A short course for those interested in beekeeping will be held at the school of Agriculture, Oids, on March 18 and 19 next. The lecturers will be Dr. Dugan, Chalmers, of Edmonton, and R. C. Schurdt, of Lethbridge.

8.00 p.m., Standard**Standard**

The Standard Tennis Club held their first meeting of the season at the station last Tuesday evening, when ten enthusiastic members were present to discuss the problems of the club for the present year. Election of officers for 1926 was the first business of the meeting, and the following members were elected to form the executive of the club for the coming season: F. D. Knowlton, president; Miss M. A. Peck, vice-president; and Mr. F. Messenger, secretary-treasurer, and the duties of the committees outlined. Several improvements are to be made this season in the courts themselves, and in their surroundings. Arrangements were made for a splendid dance which will take place in the S. and S. Hall on Friday, April 9th. Mrs. Traill's orchestra from Calgary has been engaged; and a host of interesting novelties promise to make the annual tennis dance the event of the season. Watch for further particulars.

Mr. and Mrs. J. J. Peterson and daughter, Emily, returned from the Central States on Friday.

Miss M. Marquand was a passenger to Calgary on Thursday's train.

A very large and attentive audience greeted Miss Theresa M. Siegel last Monday evening, in the S. and S. Hall, when she appeared for the first time in Standard. Miss Siegel had been in Standard, a play which comprises a dozen or more characters, but in the artist's clever portrayal of the role, the voice, the character, and even the expressions of the different types were made so realistic that the audience was lost in admiration at the ability of Miss Siegel in so cleverly impersonating such widely differing characters. Splendid musical numbers were given by Mrs. Dahl, who delighted her hearers with two pianissimo selections, and assisted in by Mrs. E. A. Weigler, which brought forth much special committees were also elected, please. The unusually entertaining evening was brought to a close with the singing of "God Save the King." Those who heard with Siegel on Monday night will be glad to learn that she has been invited by the U.F.W.A. to return to Standard with a new play in the fall. Those who were unfortunate enough to miss Monday's performance will have an opportunity of hearing Miss Siegel then.

Mr. and Mrs. N. Thompson and children returned from a visit to the Southern States on Wednesday.

Mr. and Mrs. Walter Hoffenstein went to Calgary on Thursday.

Owing to the bad roads there was no picture show in Standard last Wednesday evening. The operator failed to arrive from Rockyford.

STRATHMORE & DISTRICT AGRICULTURAL SOCIETY
SPRING HORSE SALE

The Sale advertised for March 6th was postponed owing to insufficient entries. The sale will now be held on—

SATURDAY, MAR. 20th, 1926
Enter your horses immediately, sending fee of \$1.00 per head.

NOTE—The demand is increasing for good horses and some high prices will be realised.

Entry Forms from—

G. H. JONES,
PresidentFRED J. DUNN,
Secretary-Treasurer
Strathmore, Alberta**KEOMA**

A wheat pool meeting was held at Keoma last Monday, March 1. An address was given by Mr. Plummer, director of the S. Calgary wheat pool district. A number attended who took part in the discussion on divisional representation.

On Wednesday a meeting took place of the subscribers to the Community Hall. A report was given by the acting chairman. A new committee was elected, namely, Mrs. Galloway, Messrs. Kimpson, McKay, Rintoul and Thompson, also an entertainment committee.

This week's gathering of the community was in the capable hands of Mr. and Mrs. Rintoul and Mr. and Mrs. J. Wright. Nearly one hundred were present, and we have to again thank Mr. G. Rintoul for his radio, and Miss McKay for presiding at the piano. A most enjoyable evening was spent.

Mrs. Rufus Kimpson has returned to her home at Windermere, B.C.

We hear that Mr. and Mrs. J. Prickett have returned to their farm.

The farmers are busy preparing for spring work. The prospects are very promising.

CHEADLE

O. Edwards, D. Smyth, J. G. Miller and W. J. Miller were business visitors to Calgary during the past week.

Mr. Russell Miller and the sick list at present, but is improving.

Mr. and Mrs. Andison and family have left for their new home at Springfield.

Quite a few from the district attended the barn dance at the Albertson farm at Norfolk on Thursday. One car on its way home broke down. The driver says he will take no more women to dances who wear high heel shoes. Must have been poor walking shoes.

The last play, "Brother Joseph" was presented by the Cheadle players at the Ladies' Club Hall on Friday, March 5th, to a good crowd. All who took part in the play did credit to themselves for the efficient way in which they played their parts. After the play supper was served, and then dancing till the wee small hours. There was also some singing by local talent, and two little girls danced the Charleston. Those taking part in the program were: Miss Anne Girding, Mrs. R. Newmeyer, Mrs. R. McIntosh, Miss Mary Craig, Mr. Joe Gaurin, Earl Gaurin, Rollin Miller, Keith Gaurin, Jim Martin, R. McIntosh, Lee Welshimer, Alex McIntosh, Eugene Gaurin, Charlie and Orvil Payne, Miss Jean Martin, Miss Edna Welshimer, Miss Margaret Newmeyer, Mr. T. Bickell, with Miss Emma Welshimer at the piano.

A baby boy was born at the old Schultz farm Wednesday night.

The Co-operative shipped another car load of hogs Tuesday.

Don't forget the U.F.W.A. convention in Standard on Saturday, March 13th. All farmers are requested to attend.

Very delightful debates are being held at the Rabbit Lake School every two weeks. Visitors are invited.

THINKS MEIGHEN GOOD ENOUGH

(Valued Advice)

All talk of R. B. Bennett becoming leader of the Conservative party at Ottawa is simply bosh. R. B. is not acceptable here or in the East. Meighen is the outstanding man for the position.

Very delightful debates are being held at the Rabbit Lake School every two weeks. Visitors are invited.

A DILATORY OFFICIAL

An official in a certain Canadian town notified a citizen that his license to keep a cow had expired. In reply the official received this letter: "Monster Boud of Helt: I just got your notice that my license to keep my cow has expired. I wish to inform you, Monster Boud of Helt, that my cow she beat you to it—she expire three weeks ago. Much oblige. Yours with respect, Pete."

GALT COAL.**What's What**

In Edmonton

(By John Mackenzie)

Historical details of the Edmonton, Banff and B. C. Railway known some years ago as the "Eternally D—d and Badly Constructed Railway", were recounted in the House in the debate on the Northern Railway's Thursday. One member recounted how before the reconditioning the train made an average speed of two miles per hour, and passengers had to be strapped in their berths.

Another member said that the trains were now making an average of fourteen miles an hour, but qualified it by saying that some of the time they were making it sideways. Possibly the Charleston was invented in a north country train.

The "Tory Scrap Book" is a term applied by Liberal speakers to a black book of newspaper cuttings that often appears on the desk of Hon. Geo. Hoadley, and is used to remind Liberals when they get too fresh, of their former speeches.

The bill calling for the return of the Natural Resources to the Province received unanimous support in the house in its second reading, all being agreed on the principle, though there may be some discussion on the details.

The redistribution bill is still a live topic. The committee has held many meetings. Some favour the present number of members, others with a reduction, but the balance of opinion seems to be that there will be little, if any change in the numbers, though some constituencies may be recast.

The division re redistribution is not on party lines, but rather city and country, the majority of country members are against any reduction in numbers, as they think that their constituencies are quite big enough already.

Over 5,000 more motor licenses were issued in 1925 than in 1924, which is a sign of prosperity.

The chief censor, in his annual report presented to the House, states that he eliminated during 1925 26 reels of moving picture film, and condemned eight pictures. Occasionally some M.P.'s are called upon to assist in determining the reels to be eliminated, so the life of a member has some compensations.

The appeal of the Premier for co-operation has fallen on deaf ears, so far as some members are concerned. The acrimonious tone of the railway debate, which Mrs. McLaughlin described as a "catfight" is evidence of this.

There is every expectation that the session will last to the end of this month. When the weather is milder there is a tendency to speed up debate, for members begin to think of their spring seeding, but when a cold spell comes all is forgotten, and the debate goes merrily on.

The cost of making telephone connections with the United States, East, West, Canada, and Cuba, Hon. W. W. Smith informed the House, was \$1,500, and over 300 outgoing calls are handled each month.

It is expected that the budget will be brought down about the 15th of March.

RECORD IN EGG PRODUCTION

Olds Gazette: The Malson poultry farm has made quite a record for egg production, 236 white Leghorns having produced 14,000 eggs from November 1 to February 12. On Saturday last 400 hatching eggs were shipped to C. M. Clark, Calgary, on an order of 1,600. Mr. Malson reports his birds all in fine condition, and will issue a mailing list to those interested in the near future.

U. S. Investments

In Canada

—0—

In the ten years since the beginning
of the world war a remarkable change
has taken place in international and
financial relationships. The United
States is now a great creditor nation
and New York as its financial centre
has become the chief market for its
financial capital, although probably
somewhat, as a result of her longer ex-
perience and foreign banking expe-
rience still retains a commanding po-
sition in financial international trade.

In 1924 foreign investments in New York
market, including Canadian loans, ag-
gregated \$1,000,000,000 while the in-
crease of foreign securities in London
including British Colonies securities
only \$50,000,000 or about one half of
those of the United States.

In the matter of development Canada
is passing through the same evolu-
tive stages which marked the early
history of the United States. Canada
is a young country, rich in promise,
requiring population and investment
to capital to develop her arable land-
mines, forest resources, water power
and other natural wealth. Goodwill,
racial kinship, identity of language
have led to a very strong natural re-
lationship between Canada and the
United States. Canada was one of the
first foreign countries to attract
American capital and with resources
even greater than those of her south-
ern neighbor in production and popu-
lation, she is still a most attractive field
both to the conservative investor and
the enterprising capitalist.

Prior to the war there was a regular
flow of capital from Great Britain to
Canada, and in 1912 it was estimated
that Great Britain held 75% of the out-
side investments in Canada and the
United States only 17%. With the
outbreak of the war the supply of
British capital ceased and that time
American capital has been gradu-
ally invested in Canada in increas-
ing amounts until in 1922 it was es-
timated that the amount of American
capital in Canada was in excess of 52%
of the total external debt. A tentative
computation reveals that Dominion and
Municipal Government securities for-
med a large proportion of the debt,
amounting to \$1,125,000,000 while in
1922 it was estimated at \$1,420,000,000.

The investment of capital in any
country for its development, results in an
inflow of goods and capital instruments.
For the fiscal year ended 31st March, 1925,
Canada bought from the United States
\$1,010,000,000 of goods representing 45%
of her total imports and sold to the
United States \$417,457,171. Each
country is a leading consumer of the
other's products. Next to Great Brit-
ain, Canada is the best consumer of
the United States.

There is a mutuality of interest
and that if one country increases its
production and expands its market it
also increases its buying power for the
products of other countries. With an
investment in Canada of approximately
2 1/2 billion dollars and an annual trade
in commodities of nearly a billion dol-
lars, their exists a business relation-
ship between the United States and
its country calling for the most
thoughtful consideration on both sides.

FARMERS WARNED TO TEST

GERMINATION OF SEED

—0—

It has come to the attention of the
Alberta department of agriculture
that a large percentage of grain in
the province is displaying poor ger-
mination qualities. It is most impor-
tant that, before sowing commences,
the farmers should have their seed
thoroughly tested for germination.
This can be done for a nominal fee
by sending samples to the Dominion
seed branch office at Calgary. It is
believed that there is plenty of good
quality of seed in the province to fill
all demands, but it is important that
farmers make certain of the quality
of their seed before sowing. Those
who have not made arrangements for
seed or who have not seed available
may secure high quality seed through
the provincial marketing plant at
Edmonton.

RECORDS AT BANFF BROKEN

Attendance at Banff National Park in
1925 broke all records according to
Bapt. Branch. The park revenues
amounted to \$140,000 during the season,
and more than 87,000 people regis-
tered at the hotels. Nearly 80,000
people passed through the entrance
of the park alone, which was
47 per cent. greater than the previous
year.

TENDERS WANTED

Tenders will be received until March
20th, by the Board of Trustees of the
Terrace School District, No. 2163, for
the purchase of the old school build-
ing, frame, 24 1/2 x 12, two toilets, and
large stumpy-oxford furnace.
The highest or any tender not neces-
sarily accepted.

A. ARCHIBALD,
103-4 Secretary-Treasurer

COMING EVENTS

The Anglican Ladies Guild will hold
a St. Patrick's Tea and Poultry Sale
in the King Edward Sample Room,
Saturday, March 13, at 3 p.m. 10-9

The March meeting of the Bow Valley
U.F.A. and U.F.W.A. District As-
sociation will be held at Carleton
March 20. Well-known speakers will
be present, and a good attendance is
solicited. Bring basket. Coffee will
be served by the local U.F.A. and
Carleton U.F.A. Annual Meeting
March 21st.

Another Whist Drive and Bridge
Drive will be held in the Memorial
Hall, Strathmore, on Friday evening,
March 12th, under the auspices of
Strathmore Golf Club.

Don't forget "Hands Up!" at the
Memorial Hall on Saturday night.

A Community Sale, under the aus-
pices of Langdon U.F.A., will be held
on March 27th, at the farm of Roger
Dye. All entries received up to March
15 will be advertised, but entries re-
ceived later will not be included.

An entry fee will be charged on horses
and cattle of \$1.00; calves 50c. Entry
fee will be used to pay expenses of a
free lunch. A Layzell, the well-known
auctioneer, will be on the block, and
has given the Langdon Local special
to the sale. W. O. Alcock,
Secretary, Phone 4213.

Meeting of the K. K. K. on Monday,
March 15th, at 2 p.m.

MARKETING POLTRY

"CO-OPERATIVELY"

Experience leaves no room for
doubt that co-operative marketing,
based on really sound principles and
loyalty, is the very best method. It
is outlined in the bulletin "Co-opera-
tively" which is being distributed by
the Dominion live stock branch, that the co-operative method
presents great opportunities in the
marketing of live poultry. The great
success has been achieved by
those who have assembled originally
fled poultry, taken out of the run,
and shipped them in specially con-
structed cars, provided by the rail-
way companies, to distant selected
markets when the home markets were
glutted. This has resulted in satis-
factory returns being secured in spite
of poor home markets. Last year
some fifty cars of live poultry were
shipped co-operatively in the various
provinces, and in addition, about 20
cars were shipped locally in the
prairie provinces. In the case of one
car shipped from the Canadian west
to New York, a report was made of
the gain of 1,000 pounds during
transit. This wholesale shipping re-
sulted in a great majority of the old
stock being cleaned up, and was an
influence in making a much finer
poultry market in the fall.

The bulletin, which may be ob-
tained free from the publications
branch, department of agriculture,
Ottawa, described in detail how to
organize and conduct these co-opera-
tive associations for the marketing
of poultry.

EXPERT SHOT

—0—

Danier Jones, possibly the best
known crack rifle shot in Hollywood,
whose feats as a marksman compare
favorably with those of William Tell,
Buff Bill and others, has a real
rival.

The rival is Raymond Griffith, bril-
liant comedy star. His skill with a
rifle became known for the first time
when he and the other players ap-
pearing in his newest Paramount star-
ting picture, "Hands Up!" were on
location for four weeks on the Mojave
Desert, California.

Several expert riflemen in the com-
pany, cowboys, Indians and others,
were displaying their marksmanship,
Griffith stepped up and scored seven
hits in ten shots at a board held at
a distance of 650 yards.

Among the players who witnessed
the shooting were Marion Nixon, Vir-
ginia Lee Corbin, Montagu Love and
Mack Swain. "Hands Up!" was
directed by Clarence Badger from Reg-
inald Morris' original story.

This picture will be shown at the
Memorial Hall, Strathmore, on Sat-
urday, March 13th.

AGENT FOR TRUSTEES

Among the many important services rendered by this Corporation is
that of agent for Trustees under wills. In this capacity we keep trust
funds fully and safely invested, collect revenue and pay over same to the
Executor, make all tax returns, take care of securities, and gener-
ally protect the interests of the Estate at every point.
Many individual trustees, especially widows and business execu-
tives, find this service a most valuable one, relieving them of the
worry and detail incidental to trusteeship.
